

# COOLGARDIE COMMUNICATION

## Welcome!

ROBERT JAVAPRO - PRINCIPAL

2021 commenced with the departure of four of our hardworking staff members namely Dr. Gilbert Karareba, Dr. Lenora Sundstrom, Mrs. Bridget Magwa, and Miss Belinda Huggins. This year is the second year of my principalship. We have had two new teachers join us - Mrs. Michelle Beurs (Early Childhood) and Miss Cherie Koh (PE, Numeracy & LOTE) and also Miss Pacita Puertollano - Aboriginal Education Officer .

The school set out to raise expectations on character-building , fulfilling the vision of its founders. We had an increase enrolment of our Years 11 and 12 students at Central Regional TAFE in Kalgoorlie in Kitchen Operations, Community Service, Building & Construction and even our Year 12 girl Rhysharne Beasley who, after completing Cert II in Retail Cosmetics in 2020 , is doing Cert.IV in Nursing .

We have celebrated the achievements of our students after they raised their literacy and numeracy levels , displayed school values, demonstrated good behaviour and led in school activities including at camps, excursions and in the hostel.

We would like to share our joy of the graduation of our six Year 12 students in 2020. A special mention of Miss Magdalene Javapro who successfully enlisted in April this year with the Australian Navy Training Program at HMAS Cerebus in Melbourne.

# Boarding News

Boarding Manager - Jeff Atuatika

CAPS Hostel is a safe and warm hostel environment with caring Christian hostel parents. In our hostel are students from the Kimberleys, a few from the Pilbara region, and some from the Northern Goldfields. Our hostel is structured with early rise in the morning with students preparing their own lunches every school day.

In Term 1 in order to promote social interaction with our students and those from other schools, we visited CAPS Wongutha on the Labour Day long weekend. It was wonderful as we stayed on the farm and visited Esperance.

We were blessed with ongoing Honey Pot Bible study with Mr. Steve Woods during Tuesday evenings with separate boys and girls groups.

## Feature Story

KEEP YOUR MIND FOCUSED AND SHARP

During the Book Week in Term 3 2020 , we featured the whole school in diverse activities to appreciate the importance of the various forms of literacy work. Here is Mrs. Javapro (TA) with the early childhood students doing book character activities

The whole school assembly in the MFC building for the Book Week assembly.

Our primary students in different outfits depicting different book characters.
